

# Come

Words and Music by  
Denise Rosier

Come take a hand  
Come give your heart  
Come as you are  
Come  
Come

Come lift your voice  
Come shine your light  
Come now is the time  
Come  
Come

This day we have made with God  
Come see what Love has done

Come take a hand  
Come give your heart  
Come as you are  
Come  
Come

Come lift your voice  
Come shine your light  
Come now is the time  
Come  
Come

As we gather in this sacred place  
Spirit meets us face to face
