

Everything Is Sacred

Words and Music by
Denise Rosier

Everything is sacred
Everything is filled with the Divine
Everything is alive
With Spirit
With Spirit

Everything is a wonder
Unfolding right before our eyes
Everything is alive
With Spirit
With Spirit

Everything is a blessing
Bursting from the
Earth and sky
Everything is alive
With Spirit
With Spirit

Everyone is sacred
Everyone is filled with the
Divine Everyone is alive with
Spirit With Spirit
With Spirit

We are alive with
Spirit With Spirit
We are alive with
Spirit With Spirit

Everything is Sacred
