

Here And Now

Words and Music by
Denise Rosier

There is peace
And harmony
I am free
Here and now

The past is gone
I'm moving on
I belong
Here and now

Holy Light
Thank you for my life
Holy Light
Thank you for my life
It shines so bright
Here and now

Love today
I'll create
My choice is made
Here and now

Holy Light
Thank you for my life
Holy Light
Thank you for my life
It shines so bright
Here and now
