

I Am Love

(Words & music by Denise Rosier)

I am goodness grace beyond measure
I am peace here and now
I am wholeness thriving perfection
I am Love
I am Love

I am life free and abundant
I am joy awakened and wild
I am spirit open and boundless
I am Love
I am Love

We are goodness grace beyond measure
We are peace here and now
We are wholeness thriving perfection
We are Love
We are Love

We are life free and abundant
We are joy awakened and wild
We are open and boundless
We are Love
We are Love
