

JOY IN MY DAY

Words and Music by
Denise Rosier

Love in the words I say
Peace in the world I make
God in every breath I take
Joy in MY day
Joy in MY day

We are lifted up
We are lifted up
We are lifted up
Higher

Love in the words we say
Peace in the world we make
God in every breath we take
Joy in our day
Joy in our day

We are lifted up
We are lifted up
We are lifted up
Higher
