

Spirit Alive In Us

(Words and music Denise Rosier)

Spirit you're alive in Us
You're alive in us right here
Spirit you're the light in us
Shining bright through us right here
Spirit you're the love in us
Reaching out with every touch
Spirit you're the voice in us
Rising up beyond a hush

YA! We feel it
Reveal it
YA! We see it
Believe it, it's Spirit

Spirit you're the breath in us
Breathing all of us right here
Spirit you're the grace in us
Calming every fear right here
Spirit you're the peace in us
Spreading out across the world
Spirit you're the power in us
Flying like a flag unfurled

YA! We feel it
Reveal it
YA! We see it
Believe it, it's Spirit
