

Spirit Is In This Place

Words and Music by
Denise Rosier

We have come together as a family
We have come here as we are
We have come with hearts wide open
We have gathered here in love

Spirit's in this place
We sing in celebration
We sing with words of prayer
We affirm all life as sacred
We declare that peace is here

Spirit is in this
Spirit is in this place
Spirit is in this
Spirit is in this place
Spirit is in this
Spirit is in this place
Raise the roof with shouts of praise
Spirit's in this place
